

# UPCOMING COHORT ELIGIBILITY

## When?:

Weekly classes on Wednesday starting May 10, 2023

## What?:

12-week program held three times per year (Last cohort of this year will start in August 2023)

Graduation at the end of the cohort

You will write a business plan during the cohort and pitch your business at the graduation.

## Where?:

Hybrid (in-person and on Zoom)

## Who?:

RBA is for those who have lived experience who have been released for at least one year or the families of those with lived experience who have started a business, want to formalize it and/or need some structure around it or have a strong business idea that they are ready to start.

## Why?:

You will hear from industry professionals, write a business plan, pitch your business for prize money, get paired with a business mentor, and find out about resources in the community. Plus, you will join a community of support in RISE.
