

Workforce Training Information Sessions

Have you heard about our workforce training programs and would like to know more? Are you curious about what your future could hold? If you are ready to take the next steps in your training and career path consider attending one of our Workforce Training Information Sessions. Here are just some of our programs:

- Code School
- Medical Services Representative
- Insurance Producer Program
- Pharmacy Technician Training
- Industrial Maintenance Mechanic
- Fiber Optics Technician
- Phlebotomy Technician Training
- Veterinary Assistant
- Workplace Technology

During these sessions we will go over upcoming program details, funding opportunities and the application process.

To sign up for a session, scan our QR code or visit us online at bit.ly/CWEInfo. Scroll to the bottom of the webpage to see Info Session offerings.
